Hi Desiree,

Mayor Campo and I were discussing the Planning Commission interview process issue last night and we were very concerned that Luis Molina has not officially submitted his application for consideration (to my knowledge). Becky and I feel that it is necessary for him to do so if he is going to be considered for a re-appointment.

Also, I was wondering if you could notify Mr. Applegate to see if he is still interested in the position. If he is, please make his past application part of the current list of applicants. Since he has already been interviewed, it would not be necessary for him to re-interview (in my view). You may want to ask Becky about this though.

Sincerely,
Dominic Farinha
